SUMMARY

Motivated Full-Stack MERN Developer with hands-on experience building scalable web applications using React.js, Node.js, Express.js, and MongoDB. Skilled in AI integration, REST APIs, and responsive web development through real-world projects. Seeking an entry-level Software Developer role to contribute and grow in a professional environment

TECHNICAL SKILLS

- Languages** : JavaScript, HTML5, CSS3, C, C++
Technologies : React.js, Node.js, Express.js, MongoDB, MySQL, Tailwind CSS
Tools : Git, GitHub, Postman, VS Code, Axios, React Router, Material UI, Framer Motion

EXPERIENCE

Intern Jan 2026 – June 2026
Ardent Computech Pvt Ltd (Academy of Skill Development)

- Developed a full-stack **Smart Placement Portal** using the **MERN stack**, featuring responsive dashboards, resume upload, and optimized REST APIs for efficient data management.
- Integrated an **AI-powered resume analyzer** to evaluate resumes, generate ATS scores, and provide personalized improvement feedback, gaining hands-on experience in full-stack development and API integration.

Intern June 2024 – July 2024
Ardent Computech Pvt Ltd (Academy of Skill Development)

- Completed a **6-week Full Stack Development Internship**, gaining hands-on experience with **React.js, Node.js, Express.js, and MongoDB**.
- Gained practical knowledge of frontend, backend, and database development while working on real-world web application projects.

Junior Engineer (Electrical) Aug 2021 – May 2023

- Monitored power consumption, conducted routine inspections and maintenance of electrical equipment, and ensured safe, efficient, and uninterrupted operations.

EDUCATION

B.Tech in Computer Science and Engineering July 2023 – June 2026
Sri Sukhmani Institute of Engineering and Technology (IKG PTU) Dera Bassi, Punjab, India

Diploma In Electrical Engineering July 2019 – June 2021
Sri Sukhmani Institute of Engineering and Technology Dera Bassi, Punjab, India

PROJECTS

Smart Placement Portal with AI Resume Analyzer

- Built a MERN-based placement portal with AI-powered resume analysis, smart job matching, application tracking.
- Developed responsive dashboards and integrated REST APIs for seamless resume processing and user management.

Smart AI Interview Prep Web App

- Developed an AI-powered platform for mock interviews, real-time feedback, and progress tracking.
- Integrated AI to evaluate responses and provide personalized interview improvement suggestions.

Islamic Quran Learning Web App

- Built a responsive Quran learning platform with translations, prayer timings, and an intuitive user interface.

E-Commerce Website

- Built a MERN-based e-commerce platform with authentication, product catalog, and shopping cart.
- Integrated REST APIs for efficient product and order management.
